Programme on Man and the Biosphere

By decision of the Bureau of the International Co-ordinating Council of the Programme on Man and the Biosphere, duly authorized to that effect the Council

Sokhondinsky zapovednik
(Union of Soviet Socialist Republics)

is recognized as part of the international network
of Biosphere Reserves
This network of protected samples of the world's
major ecosystem types is devoted to conservation
of nature and scientific research in the service of man.

It provides a standard against which can be measured
the effects of man's impact on his environment
